

# Photography *with Mrs. Flatow*

Remember these shutter speeds:

	Slow – tripod is needed						Normal		Fast – Stop Action			
As Fractions:	B	1	1/2	1/4	1/8	1/15	1/30	1/60	1/125	1/250	1/500	1/1000
Non-Fractions:	B	1	2	4	8	15	30	60	125	250	500	1000

Blur only happens when:

How is this different from being out of focus?
