Dear MS 51 Families,

In the **MIDDLE SCHOOL 51 VISUAL & PERFORMING ARTS PROGRAM**, it is our desire to provide a wonderful opportunity for students to develop their artistic skills and a deeper appreciation for the arts, while they enjoy themselves in a culturally rich environment.

To maintain each of the program's high standards, your **assistance is needed** to help purchase supplies and equipment necessary to enhance and enrich your child's talent experience, including special events and after-school activities.

Continuing the enrichment and growth of the M.S. 51 Visual and Performing Arts Program is essential. We are asking you to **donate \$100.00** to help defray our expenses for new educational and after-school materials, coaches, consultants and activities. We understand that this significant sum may be beyond the means of some families, so please consider this as a benchmark from which we ask you to contribute as best suits your own budget. Those families who feel they can give more, your generosity will be a great help to our program.

Please fill in the tear off below and return it to your child's talent teacher. All students must return the tear off, so that we know that the family has received it. It should be returned in an envelope for privacy.

Thank you in advance for your much needed assistance,

Nance Speth
